What is PTA? How can I get involved?

PTA stands for Parent Teacher Association, a school-based organization with a mission to make school a better place for students to learn.

The PTA isn't just for fundraising - it's also an advocacy group. When our PTA leaders go to our senators and lawmakers to increase funding for schools, increase teacher salaries and reduce classroom sizes, being able to report a high membership number gives us more credibility. That's where YOUR membership comes in! Your membership strengthens our voice.

If you have a student at San Ramon Elementary School, we would love for you to join! Remember, membership is not limited to immediate family.
