### Perks for PTA Units

## FC YEARBOOK

This year, include an **interactive, remote-signed digital yearbook** along with your school's printed yearbook. It's the most flexible yearbook solution that guarantees a great Yearbook Day 2022. And you'll save money too!

With **FC Yearbook**, everyone in the school gets a digital yearbook. Students and teachers can sign each others' yearbooks from their iOS, Android or Amazon Fire devices.

PTAs can order a quality printed yearbook directly from the FC Yearbook app, delivered to students' homes. And when you have a digital Yearbook Day, students' and teachers' personal messages can be included inside each printed yearbook! Of course, schools can still make a bulk order of printed yearbooks delivered to school.

This special package for California State PTA units includes Pixami Yearbook Pro, the easiest software to build your best yearbook. So, however your 2022 Yearbook Day looks -- in-person, remote or mixed -- you're assured that everyone will be included in the fun.

California State PTA units get a **20% discount** on their order, plus an **additional 10% off** if they sign up by **December 31, 2021**. Just include the promo code **CAPTA** in the Message section of our "Get a Quote" form: <https://www.fcyearbook.com/schools>. There's no obligation to find out about this unique yearbook package. Learn more at <https://www.fcyearbook.com>.
